Dear Elina Organics Professional:

It is my pleasure to welcome you to the Elina Organics Family!

We look forward to nurturing a wonderful relationship as we share the goal of providing a holistic approach to beauty, health and lifestyle by safely providing effective and natural skin care services and products to our clients.

In order to look our best, we do not have to endanger our health with invasive procedures and toxic products. Most people are not aware of alternative opportunities for natural skin care. Big corporations continue to promote extreme makeovers and toxic injections as the only solutions for fighting the effects of aging. You play an important part in dispelling this myth.

We know that true beauty comes from within. The face that expresses anger, jealousy or fear is not attractive no matter how many cosmetic procedures it has received. Beauty starts with internal peace and balance when joy and gratitude can shine through. Nothing else can create more magnitude than the energy of love and kindness. To keep our peace and balance throughout every day is not always easy. I believe it is very important to avoid not only emotional but also environmental stress, reduce toxic intake, and choose wisely what you eat and how you feed your skin.

I deeply believe that holistic beauty treatments and natural skin care products can deliver dramatic and long- lasting results, without the health risks associated with surgical face-lifts and other invasive procedures.

It is my passion to share the beauty of holistic treatments and natural skin care products with others and to encourage and support you in your efforts to do the same. I have designed this comprehensive holistic training program, which will help you to successfully address client needs and deliver visible results. My staff and I stand ready to assist you in making your business a success!

To Healthy Skin the Natural Way,

(insert digital signature)

Elina Fedotova

to skin health and wellness. All aestheticians authorized to distribute Elina Organics products are specially trained by Elina and / or her Certified Elina Organics Trainers on the ingredients and techniques required to represent and efficiently and effectively use our brand.

Elina Organics Skin Care Specialists are licensed aestheticians and natural health practitioners –Our brand is exclusively available through professional skin care and medical offices only after a comprehensive application process and training to carry our products. Elina Organics combines science with time honored philosophies to produce our holistic clinical skin care. We are dedicated to creating the awareness of skin health through the use of high- quality materials and ingredients , while offering highly customized and clinical approaches through natural sciences.

Our products and formulas are designed and created under Elina Fedotova's specifications harnessing the principals of nature. Elina Organic's unique approach respects the "life force" in herbal sciences , as our formulas are seasonally presented to prevent immunity to the same ingredient combinations. This approach requires our laboratory to create our proprietary fresh products in small batches frequently, giving us the flexibility to adjust our ingredients in our award - winning formulas.

Our philosophy for wholeness extends into our professional ethos and beyond – We are proud supporters of sound ecological practices in our manufacturing standards. Our customized and small batching approach provides less waste, the avoidance of synthetic chemicals used in mass production, and we stand by and support sustainability to leave a small footprint ecologically.

OUR FOUNDER - ELINA FEDOTOVA

"I deeply believe that organic skin care products can deliver dramatic and long- lasting results. What we put on our faces should be as safe and pure as the food we eat. It should be like a fresh meal for your Face! After all, if a lotion isn't safe to eat - why would we think it is safe to put on our skin?"

- Elina Fedotova is the formulator and CEO of Elina Organics, an award -winning cosmetic chemist and celebrity aesthetician.
- In 2007, she founded the Association of Holistic Skin Care Practitioners (AHSCP) – A non- profit organization that provides ongoing training and education for professionals.
- She is a celebrated author for the esthetic industry's top trade magazines, and frequently makes television appearances sharing her knowledge and expertise in holistic skin care.
- Elina is the CEO of Elina Organics with clinics in Chicago and Kalamazoo, Michigan.
- Her Chicago skin care clinic was named one of the best spas by AOL, City's Best Chicago and was also profiled in Les Nouvelles Esthétiques & Spa Magazine.
- She's been featured on NBC -5 in Chicago and WGN-TV and appears regularly on Elina Skin Cuisine segments on West Michigan TV stations.
- Her professional skin care products are available in spas and medical offices across the United States and abroad.

OUR MISSION STATEMENT

- We believe that beauty is more than skin deep and that wellness also encompasses mental clarity, positive emotions, nutritional sustenance, wholesome foods and a non-toxic environment.
- By taking a holistic approach to our health and personal care, we can continuously feel and look our best, create awareness of sustainability, care more about our well - being, resources, and the world around us.
- Elina Organics offers the skin care professional the opportunity to customize esthetic treatments and regimes – to best suit the evolving needs of their client's skin through balancing nature and science.
- It is our commitment to offer the most effective skin care range that utilizes the integrity of natural ingredients and supports nature through science.
- From the selection of the ingredients used in our formulas- to the training of our Elina Organics esthetic professionals who sell our products – we teach, endorse and advocate holistic practices through honoring nature and its processes.
- Elina Organics offers the skin care professional the opportunity to customize esthetic treatments and regimes – to best suit the evolving needs of their client's skin through balancing nature and science

OUR PROM

- Elina Organics products are crafted and created with the finest and most pure natural ingredients.
- We formulate each product to safely and naturally deliver its essential nutrients and healing properties.
- We give careful consideration of only essential ingredients, botanical integrity and biochemical sciences.
- Our products are not jeopardized by mass-manufacture, or private labeling which requires chemical additions for enormous production runs.
- Our products are instead custom formulated at Elina Organics laboratories where rigorous quality checks and inspections ensure that what nature created remains pure and safe.
- Elina Organics products produce visible, remarkable results – facilitating healthy skin, radiance, suppleness, and luminosity while combating pre-mature aging. Our acne ingredients target clearing and healing, and discolorations without harsh chemicals.

Natural, Deep Delivery & Bio Energized

- Many products claim to be natural, but they may only contain a few natural active ingredients mixed into toxic chemical base, or they include harsh chemical solvents and stabilizers.
- All of our products are free from ingredients like propylene glycol, mineral oil, and others. Instead, we emulsify our products using 100% Sunflower Phospholipids. We never dilute our healthy ingredients in unhealthy chemical bases.
- Many creams and lotions boast that they contain liposomes for optimum delivery to the skin; however, containing a small amount of liposomes does not ensure proper absorption and utilization.
- In contrast, the active ingredients in our creams and lotions are completely liposome encapsulated for transdermal delivery.
- This encapsulation allows our products to effectively provide important ingredient delivery.
- We have a line of products that have additional bioenergetic effects.
- This gives an extra dimension to the existing healing properties of Elina's products and creates instant lifting, toning, and smoothing.
- This is done without chemicals or artificial ingredients

Acids, Peels and Enzymes

ELINA ORGANICS PEELS AND ENZYME MASKS

- Elina Organic Enzyme Masks are gentle exfoliating treatments commonly used in place of acid peels.
- This selection of masks is a wonderful option for sensitive skin or a client who prefers a more comfortable non-tingling exfoliation treatment.
- Enzyme Masks do not penetrate the intercellular boundary on the surface of the skin like acid peels.
- The enzymes dissolve keratin proteins on the surface of the skin and improve the skins ability to absorb nutrients.
- There is no need to neutralize because the enzymes stop their work when they reach the live layer of the skin.
- *Application: The collection of Elina Organics Enzyme Masks must be mixed with warm facial tea before the application.*
- *Mix 1 tsp. of your mask with warm tea or warm water until the mask has a consistency like yogurt.*
- *Apply the mask and penetrate with the equipment of your choice.*

PROBIOTIC ENZYME PEEL

Composition: Blend of probiotics and fruit enzymes

Benefits: Brightens, exfoliates and restores

Indication: All skin types

Ingredients: Fermented goats' milk, lemon, extract, grapefruit extract, Lactobacillus Plantarum, Lactobacillus Rhamnosus

Contraindications: Individual allergies

CITRUS EXFOLIATING POWDER MASK

Composition: The Citrus Enzyme contains extracts of orange, lime, lemon and tangerine mixed with arrow root in a rice protein base.

Benefit: This gentle exfoliating mask provides skin brightening and moisturizing effects.

Indication: Dull, sun-damaged and non-sensitive skin benefit from this enzyme mask.

Ingredients: Organic Oat Protein, Arrow Root, Orange Extract, Lime Extract, Lemon Extract, Tangerine Extract.

Contraindication: Allergy to citrus fruits.

This mask can result in erythema for sensitive skin.

FRUIT AND VEGETABLE ENZYME PEEL

Composition: Fruit and vegetable blend for natural enzyme exfoliation.

Benefit: Gently resurfaces, brightens, and hydrates

Indication: Sun damaged and aging complexions.

Ingredients: Oat Protein, Organic Tomato Extract, Papaya Extract, Organic Green Tea Extract

Contraindications: Individual allergies

AZELAIC ACID PEEL

Composition: Natural peel made from Rye grain

Benefit: Gently resurfaces, exfoliates, brightens

Indications: All skin types

Ingredients: Dicarboxylic Acid from Rye Grain

Contraindications: Allergy to rye

FULVIC ACID PEEL

Composition: Natural peel made from sixty-nine trace minerals

Benefit: Gently exfoliates, brightens, strengthens, restorative

Indication: All skin types

Ingredients: Sixty -nine important trace mineral for the skin integrity

Contraindications: Individual allergies

MANDELIC ACID PEEL

Composition: Natural peel made from bitter almonds

Benefit: Exfoliates, balances, attends to hyperpigmentation

Indication: Dull complexion, congestion, hyperpigmentation

Ingredients: Alpha Hydroxy Acid made from Bitter Almond

Contraindications: Allergy to almonds

ASCORBIC ACID PEEL

Composition: Natural peel from vitamin C

Benefit: Restores, exfoliates, tones

Indication: Sun damaged and aging skin

Ingredients: Water Soluble Vitamin C

Contraindications: Allergy to vitamin C

SALICYLIC ACID PEEL

Composition: Natural peel from Willow Bark

Benefit: Refines, reduces acne inflammation, pustules

Indication: Cystic acne, acne vulgaris

Ingredients: Extract of Willow Bark

Contraindications: Allergy to salicylates

Herbal, Protein and Powder Masks

HERBAL AND POWDER MASKS

APPLE & CRANBERRY CIDER MASK

Composition: A blend of arrow root, green apple and cranberries based on soy protein

Benefit: The Apple Cider/Cranberry Enzyme is the best substitute for salicylic acid and the best choice for sensitive, rosacea and inflamed complexions. It gently exfoliates, detoxifies and is anti-oxidizing, anti-bacterial, yeast reducing, moisturizing and calming

Indication: All skin types can use this enzyme peel but sensitive skin and skin that is inflamed, shows signs of rosacea, yeast or acne benefit from this mask.

Ingredients: Organic Soy Protein, Arrowroot, Green Apple Extract, Cranberry Extract.

Contraindication: Individual Sensitivity

ANTI-INFLAMMATORY POWDER MASK

Composition: The anti-inflammatory mask is an herbal blend of diatomaceous earth in a base of oat protein. Its inclusion of brightening and detoxifying herbs like Dandelion Root, Burdock Root, Sage and Calendula strengthen its healing qualities. This mask also benefits from the anti-inflammatory and rejuvenating effects of Plantain and St. John's Wort.

Benefit: The Anti-Inflammatory Mask has strong anti-inflammatory, healing, calming and rejuvenating effects on the skin. It is beneficial to calm redness, acne, oily and rosacea prone skin.

Ingredients: Diatomaceous Earth, Burdock Root, Sage, Calendula, Plantain, St. John's Wort

Indication: All skin types.

Contraindication: Individual allergies

ARONIA BERRY POWDER MASK

Composition: Soothing clay mask with Aronia Berry

Benefit: Super regenerating, anti oxidant

Ingredients: Kaolin, Aronia Berry Extract

Indications: All skin types

Contraindications: Individual allergies

LIGHTENING POWDER MASK

Composition: Elina Organics Lightening Mask is a blend of herbs with powerful anti-oxidizing and a brightening effect on the skin.

Ingredients: Organic soy protein, Dandelion Root, Parsley Leaf, Licorice Root, Green Tea, Parsnip, Pineapple and Papaya Extracts

Benefit: This Mask is especially beneficial for sun-damaged skin and overall skin brightening.

Indication: All skin type

Contraindication – Individual allergies

DETOX POWDER MASK

Composition: A blend of detoxifying herbal minerals in a base of kaolin or bentonite clay.

Benefit: The Detox Mask detoxifies congested skin with the benefit of calming herbs.

Indication: Congested, problem and oily complexions.

Ingredients: Redmond Clay, Oregano, Sage, Plantain, Rosemary, Parsley, Chamomile, Dandelion, Yarrow, Burdock Root.

Contraindication: Dry and aging complexions.

FULVIC POWDER MASK

Composition: This is a mineral based mask composed of soy protein and fulvic minerals.

Benefit: Fulvic Mask is beneficial to all skin types, especially problem skin, acne sensitive skin and rosacea.

Indication: All skin types, especially acne prone and rosacea complexions.

Ingredients: Organic Soy Protein, Fulvic Acid

Contraindication: None

MARINE COLLAGEN MASK

Composition: The Marine Collagen mask is a bio-energized liquid mask.

Benefit: The Marine Collagen Mask stimulates collagen production and is very effective for dry and aging complexions.

- For problematic skin types, this Mask has calming and restorative effects.
- It is extremely effective for dull asphyxiated skin when coupling this mask with the Fruit Peel Serum.
- For sun damaged complexions pair this Mask with the Pigment Spot Treatment and Honey Granule Serum before the Marine Collagen Mask.

Indication: All skin types benefit from this mask, it is particularly effective on non-sensitive mature complexions. This Mask is scientifically proven to benefit the elasticity of skin by stimulating the production of collagen.

Contraindication: Can be sensitive on some skin types.
Avoid if client has fish allergies or your client desires a vegan facial.

Ingredients: Distilled Water, Bio Energized Aloe Vera Extract, Collagen of Wild Cod, Xanthan Gum, Extract of Salix Nigra (Willow Bark), Spirulina, and Essential Oil of Peppermint.

Application: This liquid, water-based mask has a slimy texture that easily slides across the skin, which makes it a great mask for facial massage.

- Can be mixed and massaged into skin with Honey Granules, Azelaic Acid, or Ascorbic Acid for an exfoliating effect.
- For Dull Skin, layer Marine Mask on top of Fruit Peel
- For Sun Damaged Skin, include Spot Pigment Treatment into the Honey Granules mixture
- Apply your solution and penetrate with High Frequency

VOLCANIC MASK

Benefit: All skin types benefit from the Volcanic Mask, but it is especially beneficial for an oily complexion.

Ingredients : Distilled Water, Volcanic Ash (Bentonite Clay), Organic Bioenergized Extract of Aloe Vera, Extract of Salix Nigra (Willowbark), Hyaluronic Acid, Essential Oil of Neroli (Orange Blossom)

Indication: All skin types. This Mask is especially beneficial for its detoxifying, calming and healing properties.

Contraindication: Individual Allergies

Application: Volcanic Mask is a wet mask that comes ready to be massaged into your client's skin. Add Honey Granules to Volcanic Mask before you begin massaging it into the skin for an extra exfoliating effect.

PROTEIN MASKS

Elina Organic Protein Masks are rich in protein, amino acids, vitamins and minerals essential to skin health. While each Protein Mask has its unique qualities, all of them nourish and restore the skin.

Note: When proteins are over-heated they can be destroyed by high temperatures. Use only lukewarm tea to blend the masks.

AMBRA FIRMING POWDER MASK

Composition: The Amber Firming Mask has Baltic Yellow Amber and Copal (Green Amber) also containing a potent blend of healing properties. Baltic Amber has traditionally been used in Europe for thousands of years due to its amazing beneficial medicinal properties.

Benefit: Amber has been termed a “Vessel of Youth” since the ancient times. Amber has powerful healing qualities. This Mask is cleansing, detoxifying, healing and has powerful rejuvenating and anti-aging effects. It is firming and improves elasticity of the skin.

Indication: This mask is beneficial for all skin types but especially for aging skin with lax elasticity.

Contraindication: Sensitivity to Amber and individual sensitivities.

Ingredients: Organic Oat Protein, Baltic Amber, Green Amber

Application: Ambra Firming Mask must be mixed with lukewarm to warm facial tea before the application. Mix 1 tsp. of your mask with warm tea until it has a consistency like yogurt. Apply the mask and penetrate with the equipment of your choice.

ANTIOXIDANT POWDER MASK

Composition: The Super Antioxidant Mask is a blend of herbal and fruit extracts for aging and sun-damaged skin types. This Mask combines Organic Oat Protein with Grape Skin and Grape Seed Extracts .

Benefit: With the powerful antioxidant blend of ingredients this mask reduces free radical damage and helps to produce anti-aging and brightening effects on the skin.

Indication: All skin types; it is especially beneficial for aging and sun-damaged complexions.

Contraindication: Individual sensitivity.

Ingredients: Organic Oat Protein, Organic Resveratrol, Pine Bark Extract

Application: Antioxidant Mask must be mixed with lukewarm to warm facial tea before the application. Mix 1 tsp of your mask with warm tea until it has a consistency like yogurt. Apply the mask and penetrate with the equipment of your choice.

ANTI-AGING POWDER MASK

Composition: This blend of rejuvenating herbs encourages the skin to achieve a hormonal balance.

Benefit: The Dry and Mature Mask is an excellent choice for sensitive and aging skin. The powerful blend of herbs and proteins nourish the skin and stimulate healthy cell renewal. The naturally occurring lactic acid in the Goats' Milk lightly exfoliates dead skin cells, stimulating collagen production and has brightening effects on the skin. This mask is deeply moisturizing for aging skin.

Indication: Dry, Aging and Discolored Complexions.

Ingredients: Bee Pollen, Royal Jelly, Organic Oat Protein, Goats' Milk, Chamomile, Black Cohosh, Wild Yam, Red Clover, Parsley, Alfalfa and Ginseng

Contraindication: Individual sensitivity.

Application: Anti-Aging Mask must be mixed with lukewarm to warm facial tea before the application. Mix 1 tsp of your mask with warm tea until it has a consistency like yogurt. Apply the mask and penetrate with the equipment of your choice.

GOATS MILK POWDER MASK

Composition: Goats' Milk and Organic Oat Protein.

Benefit: This mask is rich in milk protein and provides moisturizing and brightening effects for aging, sun-damaged and discolored complexions.

Indication: All skin types. This Mask is especially beneficial for aging and discolored complexions.

Contraindication: Individual sensitivity.

PROBIOTIC POWDER MASK

Composition: Elina Organics Probiotic Mask includes a healthy blend of Grade A Pasteurized Whole goat's milk and live active cultures

Benefit: The Probiotic Mask helps to exfoliate, detoxify and balance yeast overgrowth on the skin, also producing a calming and moisturizing effect. For hyperpigmented complexions, the Mask has an additional skin brightening effect.

Ingredients: Fermented Goats Milk, Lemon Extract, Grapefruit Extract, Lactobacillus Plantarum, Lactobacillus Rhamnosus.

Indication: All skin types. This Mask is especially beneficial for acne prone and rosacea complexions as well as sun-damaged and hyperpigmented complexions.

Contraindication: Individual sensitivity

LIPO - PEPTIDE INFUSION POWDER MASK

Composition: Hydrating peptide mask with collagen

Benefit: The Protein Mask is one of the most moisturizing and nourishing masks benefitting all skin types. It contains a powerful blend of skin rejuvenating amino acids and proteins, and peptide leaving the skin smooth and silky. Use with Ultrasonic Massager.

Indication: This Mask works well with dry, aging and sensitive complexions.

Ingredients: Sunflower Lecithin, Sunflower Protein, Hydrolyzed Wild Cod, Hydrolyzed Bovine Collagen.

Contraindication: Individual sensitivity.

Application: Protein Mask must be mixed with lukewarm to warm facial tea before the application. Mix 1 tsp of your mask with warm tea until it has a consistency like yogurt. Apply the mask and penetrate with the equipment of your choice.

MANDELIC POWDER MASK

Composition: Mandelic Acid brightening mask

Benefit: Exfoliates, skin brightening, and rejuvenating

Indications: Dull, sun. damaged, pigmentation

Ingredients: Mandelic Powder, Coconut Extract

Contraindications: Individual sensitivity

Applications: Mask must be mixed with lukewarm to warm facial tea before the application. Mix 1 tsp of your mask with warm tea until it has a consistency like yogurt.

PROTIEN POWDER MASK

Composition :Nourishing protein mask

Benefit: Nourishing and moisturizing mask for all skin types

Indication: Dehydrated, sun damaged , distended skins

Ingredients: Organic Oat Protein, Whey Protein, Silk Protein, Soy Protein

Contraindications: Individual sensitivity

Applications: Mask must be mixed with lukewarm to warm facial tea before the application. Mix 1 tsp of your mask with warm tea until it has a consistency like yogurt.

ROSE HIPS MASK

Composition: The Rose Hips mask is a natural blend of rejuvenating antioxidants

Benefit: Exfoliating , collagen stimulating , skin rejuvenating

Ingredients: Rose Hips Extract, Kaolin Clay

Indication: This mask is best used with dull and non-sensitive skin.

Contraindication: Can produce erythema on sensitive

RYE SEED REPAIR POWDER MASK

Composition: Azelaic and rye seed mask

Benefit: Brightening ,nourishing, exfoliating

Indications: All skin types

Contraindications: individual allergies

Ingredients: Rye Protein, Rye Seed Extract, Azelaic Acid.

SEA WATER PEARL POWDER MASK

Composition: Sea water pearl and antioxidant mask

Benefit: Anti-aging, brightening, firming.

Indications: All skin types

Contraindications: individual allergies

Ingredients: Sea Water Pearls, Ascorbyl Palmitate

WATERMELON MASK

Composition: Antioxidant mask

Benefit: Soothing, hydrating, antioxidants

Indication: All skin types, especially sun damaged
And aging skin

Ingredients: Oat Protein, Watermelon Extract

Contraindication: Individual allergies

SPIRULINA MASK

Composition: Spirulina is a blue/green marine algae and a powerful source of nutrients.

Benefit: This Mask is a beneficial blend of amino acids and proteins that provide a powerful anti-inflammatory effect. Spirulina is the best mask to apply following an exfoliation treatment to calm the skin.

Indication: All skin types; it is especially beneficial for problem complexions (Acne, Rosacea).

Ingredients: Spirulina (Blue-Green Algae), Kaolin Clay

Contraindications: Individual sensitivity.

WILD MUSHROOM MASK

- Mushrooms are rich in beta-glucan which have the ability to modulate the immune function. They help to rejuvenate and firm the skin by stimulating cellular regeneration, and have the ability to reduce sensitivity.
- Most edible mushrooms have high concentrations of anti-inflammatory nutrients such as phenolic compounds, indolic compounds, mycosteroids, fatty acids, vitamins and minerals.
- Some mushrooms offer superior skin hydrating properties due to ceramides and polysaccharides, which help to retain moisture.

Composition: Spirulina is a blue/green marine algae and a powerful source of nutrients.

Benefit: This Mask is a beneficial blend of amino acids and proteins that provide a powerful anti-inflammatory effect. Spirulina is the best mask to apply following an exfoliation treatment to calm the skin.

Indication: All skin types; it is especially beneficial for problem complexions (Acne, Rosacea).

Contraindications: Individual sensitivity.

Ingredients: Rice powder, oat protein, Chaga Mushroom, Reishi Mushroom, Cordyceps Mushroom, Lion Mane Mushroom.

ADDITIONAL PROFESSIONAL TREATMENT PRODUCTS

ASCORBYL PALMITATE

Composition: Ascorbyl Palmitate is an oil-soluble form of Ascorbic Acid.

Benefit: It is believed to act more effectively as an antioxidant than ordinary Ascorbic Acid within the lipid domain of cells, protecting membranes and low-density lipoproteins (LDL) against oxidation and stimulating the development of collagen.

Indication: All skin types benefit from Ascorbyl Palmitate.

Contraindication: None.

Application: Mix 1 tsp of Ascorbyl Palmitate with 1 tsp of any Elina Organics emulsion of your choice. Apply and Penetrate with the equipment of your choice.

CRUSHED AMBER

Composition: Crushed Amber is a professional exfoliating scrub composed of amber acids.

Ingredients: Distilled Water, Extracts of Aloe Vera, Rosa Damascena (Rose), Ginkgo Biloba, Essential Oil of Prunus Dulcis (Almond), Baltic Amber Powder, Essential Oils of Persea Americana (Avocado) and Hippophae (Sea Buckthorn), Organic Phospholipid Liposomes Gel, Ribes Nigrum (Black Current), Extract of Salix Nigra (Willow Bark), Glutathione, Succinic Acid, Extract of Baltic Amber, Xanthan Gum, Hyaluronic Acid, Extract of Green Amber, Rosmarinus Officinalis Extract (Rosemary Oleoresin), Essential Oils of Jasminum Officinale (Jasmine) & Vanilla Planifolia (Vanilla)

Benefit: Amber Acids are very beneficial to the skin because of their rejuvenating qualities. They provide strong antioxidant qualities that combat free radical damage. Crushed Amber also brightens firms and tones the skin.

Indication: Sun-damaged and non-sensitive skin types benefit from Crushed Amber.

Contraindication: Sensitive and inflamed skin including open lesions.

MSM

Composition: MSM or Methylsulfonylmethane is a naturally occurring sulfur found primarily in fresh fruits and vegetables and in every cell of the human body. Raw vegetables containing MSM include broccoli, peppers, Brussels sprouts, onions, asparagus and cabbage. It is a member of the sulfur family but should not be confused with sulfa drugs, to which some people are allergic.

Benefit: MSM is skin regenerating and stimulates healthy cell renewal.

Indication: All skin types. It is particularly beneficial for rosacea, oily, scarred and acne prone skin.

Contraindication: None, it is completely safe, odorless and non-toxic.

Application: Mix ½ tsp of MSM with ½ tsp of Healing Formula and apply the solution to the skin. Penetrate with Galvanic or Ultrasonic.

VEGAN HYALURONIC ACID GEL

Benefits: This deeply moisturizing gel has a very high concentration of Hyaluronic Acid, which increases the skin's ability to retain moisture. Elina Organics Vegan Hyaluronic Acid Gel is made without animal by-product or gluten. The slimy texture creates a wonderful sliding effect for facial massage.

All Phyto Ingredients Certified Organic: Distilled Water, Hyaluronic Acid, Spirulina, Xanthan Gum, Extract of Salix Nigra (Willowbark), Essential Oils of Jasminum Officinale (Jasmine), Rosa Damascena (Rose), Neroli (Orange Blossom)

Application: Massage Vegan Hyaluronic Acid Gel over your clients face and neck. For the best results, penetrate with the equipment of your choice.

DMAE

Composition: Dimethylaminoethanol or DMAE is naturally produced metabolite in the brain. It is also found in foods like anchovies, salmon, and sardines.

Benefit: DMAE stimulates collagen development, is particularly good for couperose, broken capillaries, and rosacea. It is used to reduce the appearance of wrinkles and to firm and tighten skin.

Indication: All skin types but particularly dry, mature and sensitive skin when used in lower concentrations.

Contraindication: May irritate sensitive skin when used in high concentrations.

HONEY GRANULES

Composition: Tiny, dry granules of rich, aromatic, organic honey.

Benefit: Honey is naturally anti-oxidizing. This solution manually exfoliates, heals and nourishes the skin. It can be used in place of microdermabrasion and removed prior to application of additional masks or left under additional mask to benefit from the rejuvenating properties of honey.

Indication: All skin types benefit from this product.

Contraindication: Allergy to honey or excessive body or facial hair.

Application: Honey Granules can be mixed with a variety of Elina Organics products so choose which product you believe will benefit your client's complexion the most. A few suggestions could be Aronia Berry Mask, Restoring Dew Elixir, Spot Pigment Treatment, Healing Formula, Marine Mask, P Serum, Omega Serum, or Volcanic Mask. Massage your solution into your client's skin until the honey melts and your clients face becomes very sticky. Proceed with a gemstone roller massage to pull of dead skin cells and other impurities.

- Our products produce intangible but equally important results: like confidence, assurance, and the peace of mind that comes from using products that work in harmony with your body.
- Elina Organics products contain no chemical additives that have damaging side effects or disrupt other organs and functions and are hypo-allergenic and pH balanced.
- Always free of artificial fragrances, synthetic chemicals, toxic preservatives, artificial dyes, parabens, gluten, dairy, and soy.

- We never test on animals, and clearly post expiration dates Elina Organics products contain no chemical additives that have damaging side effects or disrupt other organs and functions.
- We never test on animals, and clearly post expiration dates on our packages to assure product freshness.
- We employ liposome encapsulation for optimum transdermal delivery, achieving the deepest therapeutic effects.
- Our liposomes are created from organic sunflower phospholipids
- Our formulas contain bio-energetic properties are totally unique.
- Our products are seasonally adjusted to provide unparalleled results.
- Our organic formulations naturally deliver clinical results
- Our products consistently win national esthetic awards voted by practicing estheticians globally.
- Our products have been proven through independent scientific Testing to activate expression of anti-aging and antioxidant genes that stimulate the production of collagen and keratin

CLEANSERS AND REMOVERS

- MAKEUP REMOVAL
- EMULSIFICATION OF SKIN OILS
- REMOVE OIL AND SURFACE DEBRIS
- Elina Organics biodegradable cleansers are free of sulfates, artificial fragrances, and synthetic preservatives. They are made from a blend of botanical extracts, natural foaming ingredients, and essential oils.
- The Gentle Cleanser for Normal to Oily Complexion is a cleansing gel, which will effectively remove excessive skin oils, environmental pollutants, and makeup.
- The Gentle Cleanser for Dry to Normal Complexion is a delicate lotion, which gently and safely cleanses the skin and is even safe enough to use around the delicate eye area.
- Our cleansers contain vital nutrients that strengthen the barrier function of the epidermis. Elina Organics cleansers are water-based, and that is why they are not recommended to remove stubborn, waterproof mascara. We suggest you remove your waterproof mascara, eyeliner, eye shadow, or lipstick with organic coconut or castor oil before you cleanse your face.
- Application: In the morning and evening, moisten face and apply cleanser. Lather gently with circular motions. Rinse well. Pat dry.

Makeup Removing

Oil

- Gently remove your makeup with this organic and nourishing makeup removing oil blend.
- It will instantly dissolve even the most stubborn makeup products, naturally.

Ingredients: Organic helianthus annus (Sunflower) oil, Organic Simmondsia chinensis (Jojoba) oil, Organic Ricinus communis (Castor) oil, Organic Juglans regis (walnut) oil.

Botanical Cleanser

- Delicate cleansing lotion
- Removes makeup naturally
- Gently and effectively purifies the skin of environmental pollutants and bacteria
- A blend of calming & balancing botanicals
- Herbs, oils and minerals
- Apply to moist skin and cleanse
- Rinse with water
- Rejuvenates and moisturizes
- Perfect for dry-normal skin

Ingredients: Organic distilled Water, Organic Phyto Extracts of: Spirulina (Blue-Green Algae) Extract,

Ricinus Communis (Castor) Oil, Helianthus Annuus (Sunflower) Oil Phaeophycota (Brown Algae) Extract, Polyglycoside, Populus Tremuloides (Aspen) Bark Extract, Xanthan Gum, Salix Alba (Willow) Bark Extract, Citrus Aurantium var. Amara (Petitgrain).

Herbal Cleanser

- Helps to remove excessive oil and environmental pollutants
- Cleansing gel that purifies
- Natural foaming ingredients offer a deep, vitamin infused cleanse.
- Unique blend of anti-inflammatory herbs, botanical blend and minerals
- Assists in calming, balancing & healing problem skin
- Apply to moist skin and cleanse
- Perfect cleanser for a normal-oily complexion.

Ingredients: Organic distilled water, Organic Phyto Extracts of: Spirulina (Blue-Green Algae) Extract, Phaeophycota (Brown Algae) Extract, Mentha Piperit (Peppermint) Extract, Polyglycoside, Populus Tremuloides (Aspen) Bark Extract, Xanthan Gum, Salix Alba (Willow) Bark Extract, Juniperus Communis (Juniper) Berry Essential Oil.

Activated Charcoal Face Wash

- Enriched with a detoxifying blend of activated charcoal and organic botanicals.
- Deeply cleanses and detoxifies the skin without drying .
- Activated charcoal draws impurities out of your skin.

Ingredients: Distilled Water, Organic Phyto Extracts of: Spirulina (Blue-Green Algae), Helianthus Annuus (Sunflower) Oil, Hippophae (Sea buckthorn) Oil, Polyglycoside, Populus Tremuloides (Aspen) Bark,

Xanthan Gum, Activated Carbones (Charcoal), Salix Alba (Willow) Bark, Juniperus Communis (Juniper) Berry Essential Oils.

TONERS AND MISTS

- FRESHEN AND HYDRATE
 - RENEW AND REVIVE
 - HELP TO BALANCE SKINS PH
 - INFUSE NOURISHING BOTANICALS
-
- Elina Organics toners consist of an infusion of organic herbs with aroma therapeutic essential oil blends. They are free from synthetic fragrance, artificial colors, and drying ingredients such as alcohol.
 - You can use them any time throughout the day to freshen up. The herbal mists remove final traces of cleanser and restore the correct pH to your skin.
 - Elina Organics toners are infused with natural bioenergetics imprints, which provide an extra dimension to the products and balance the energy flow in the skin. The bioenergetic patterns naturally enhance your mood and encourage a positive atmosphere. Mist Elina Organics Toner throughout any room to enjoy the aromas and feel happy.
 - Application: Mist over face and pat dry with tissue or cotton, if desired

Botanical Toner

- Rose based mist gently hydrates, energizes, and nourishes the complexion.
- Refreshes & restores the PH
- Recommended for dry, sensitive or mature skin.
- After cleansing, mist over face as needed; follow with moisturizer.

Ingredients: Organic: Distilled Water, (Rosa Damascena) Rose Distillate, Fulvic Acid, Trifolium Pratense (Red Clover) Extract, Salix Nigra (Black Willow Bark) Extract.

Rescue Bio Hydrating Mist

- Refreshing moisturizing & hydrating
- Can be used during the day to refresh skin
- Hyaluronic acid & silk peptides help to immediately restore and revitalize skin.
- Perfect mist during the winter
- Normal to dry skin

Ingredients: Organic: Purified Water, Rosa damascena (Rose Otto) Flower Distillate, Sodium Hyaluronate (Hyaluronic Acid), Silk Peptides (Silk Amino Acid), Organic Vegetable Glycerin, Populus tremuloides (Aspen) Bark Extract

Herbal Toner

- Refreshes and restores the PH to your skin
- Yarrow based mist gently hydrates, calms, and refreshes
- Normal to oily, acne and rosacea-prone skin.
- Mist over face as needed; follow with moisturizer.

Ingredients: Organic: Distilled Water, Achillea Millefolium (Yarrow) Distillate, Fulvic Acid, Marigold (Calendula), Salix Nigra (Black Willow Bark) Extract, Essential Oil of Juniperus Communis (Juniper) Berry Essential Oil.

Rescue Bio Sanitizing Mist

- Purifying and protecting face mist will minimize unwanted shine
- Helps prevent breakouts by reducing excessive oil and perspiration.
- Fulvic Minerals will help sanitize and keep your skin cool during the day.
- Ideal for someone who has Normal/Oily skin or for someone who is very active during the day.

Ingredients: Organic: Purified Water, Calendula officinalis flower extract, (Aspen) bark extract, Arctium lappa (burdock) root extract, Essential oil of extractum iuniperorum (Juniper Berry Extract), Mentha piperita (Peppermint) flower distillate, Fulvic Minerals, Populus tremuloides.

- A cool, soothing rose mist to make the skin feel renewed & energized.
- Refreshes the skin with naturally therapeutic blend of essential oils and roses.
- Moisturizes, soothes, and energizes your skin.
- Mist on the body as a natural and long- lasting fragrance, or throughout any room to enjoy its aromatherapeutic effects.

Ingredients: Organic: Distilled Water, Bio energized Extracts of Rosa Damascena (Rose), Punicum Granatum (Pomegranate) Fulvic Minerals, Rosmarinus Officinalis (Rosemary) Oleoresin, Santalum Album (Sandalwood) extract, Essential Oil of Cananga Odorata (Ylang Ylang), Essential Oils of Lavandula Angustifolia (Lavender), Commiphora Myrrha (Myrrh)

Personal Protection Mist

- This sanitizing and purifying mist is created from food-grade ingredients to protect you from pathogens that you could get on your hair, clothes, shoes, or even accessories.
- Before and after visiting public places, gently mist yourself, your belongings, and surfaces you are going to touch.
- The powerful combination of **Organic Grain Alcohol, Colloidal Copper, and Silver** is proven to destroy pathogens. **Frankincense Essential Oil** is also a great antiseptic with a blissful aroma.

Ingredients: 70% Ethyl Alcohol, Colloidal copper, colloidal silver, Boswellia carterii frankincense

Rose Water Mist

ELIXIRS AND MOISTURIZERS

- NOURISH AND PROTECT
 - HYDRATE AND SOOTHE
 - REPAIR AND RENEW
 - INFUSE BENEFICIAL BOTANICALS
-
- Elina Organics elixirs and moisturizers are crafted with the finest of phyto materials, herbals, bio energetic gemstone components and extracts to provide highly effective and transformative products.

Dulcis (Almond) Nut Oil, Squalane (Olive), Phospholipids (and) Ascorbyl Palmitate (Vitamin C Ester) (Encapsulations), Hippophae (Sea Buckthorn) Oil, Propanediol (Vegetable), EcoCert Gluconolactone, Aveena sativa (Oat) Kernel Extract, Mixed Tocopherols (Vitamin E), Argania spinosa (Argan) Nut Oil, Xanthamomas campestris (Xanthan) Gum, Saccharum officinarum (Sugar Cane) Extract, Allantoin, Acer saccharum (Sugar Maple) Extract, Essential Oils of Lavandula angustifolia (Lavender), Citrus paradisi (Grapefruit) Peel Oil.

Mermaid Elixir

- Moisturizing and anti-aging
- Natural peptides, vegan hyaluronic acid & marine collagen.
- Enriched with azelaic acid & sea water pearls
- Brightens and smoothes the skin complexion

Ingredients: Organic Distilled Water, Organic Aloe Barbadensis (Aloe Vera) Leaf Juice, Organic Spirulina Extract, Organic Camellia Sinensis Leaf (Green Tea) Extract, Organic Algae (Sea Kelp) Extract, Organic Vitis Vinifera (Grape) Seed Oil Organic Vegetable Glycerin, Sea Water Pearl Powder, Phospholipid Liposome Gel, Marine Collagen Peptide, Xanthamomas campestris (Xanthan) Gum, MSM (Organic Sulfur), Sodium Hyaluronate (Hyaluronic Acid), Cooper Peptide GHK-Cu, Organic Vaccinium myrtillus (Bilberry) Fruit Extract, Saccharum officinarum (Sugar Cane) Extract, Azelaic acid, Populus tremuloides (Aspen) Bark Extract, Alpha tocopherol (Vitamin E), Propolis Extract, Organic Citrus paradisi (Grapefruit) Seed Extract, Cananga odorata var. Genuana (Ylang Ylang) Flower Oil, Organic Boswellia carterii (Frankincense) Resin Oil.

Restoring Dew Elixir

- Formulated with natural fulvic acid (15%), mandelic Acid (10%) & silk peptides (5%).
- Mandelic acid AHA - from bitter almonds has been shown to reduce hyper-pigmentation by as much as 50% in the first four weeks.
- Fulvic Acid shows antimicrobial qualities
- Nourishing with anti-aging phyto-nutrients

Ingredients: Distilled Water, Fulvic Acid, Prunus Amygdalus var. Dulcia (Almond Sweet Oil), Vitis Vinifera (Grapeseed Oil), Mandelic Acid (aromatic alpha hydroxy acid made from Bitter Almond), Punica Granatum (Pomegranate Extract), Trifolium Pratense (Red Clover), Honey Extract, Extract of Salix nigra (Black Willow Bark), Theobroma cacao (Organic Cocoa Butter), Organic Sunflower Phospholipid Liposome Gel, Silk Peptides (Silk Amino Acid), Butyrospermum Parkii (Organic Shea Butter), Xanthan Gum, Hyaluronic Acid, Rosmarinus officinalis (Rosemary) Oleoresin, Essential Oils of (Curcuma longa) Turmeric, Essential Oils of Coriander (Cilantro) Seeds, and (Rosa Damascena) Rose.

Diamond Elixir

- Brightens & firms the skin with bio-energetic imprints of diamond and gold.
- Light and silky formula helps to cool & reduce redness.
- Lifts and hydrates with copper tripeptides and vegan hyaluronic acid.

Ingredients: Organic Aloe barbadensis (Aloe Vera), Leaf Juice with Bioenergetic Imprints of Diamond and Gold, Organic Ginkgo Biloba Leaf Extract, Organic Camelia sinensis (Green Tea) Leaf Extract, Butyrospermum parkii (Shea) Seed Butter, Rosa Damascena (Rose) Flower Extract, Prunus dulcis (Sweet Almond) Oil, Phospholipid Liposome Gel, Hippophae rhamnoides (Sea buckthorn) Pulp Oil, Populus tremuloides (Aspen) Bark Extract, EcoCert Propanediol (Vegetable), Organic Glycerin (Vegetable), Vaccinium myrtillus (Bilberry) Extract, Hyaluronic Acid, Xanthomonas campestris (Xanthan) Gum, Silk Peptides, Copper Tripeptide (Cu-GHK), Saccharum officinarum (Sugar Cane) Extract, Ribes nigrum (Black Currant) Seed Oil, Acer saccharum (Sugar Maple) Extract, Squalane (Olive), Vitamin E (Mixed Tocotrienols), Organic Essential Oil of Coriandrum sativum and Rosa demascena (Rose) Flower Oil

Angelite Crystal

- Peaceful crystal that embodies the gentle vibrations of guardian angels
- It is a very powerful stone for healers.
- Provides protection for the environment or the body.
- In holistic tradition, angelite has been used to cool and rejuvenate skin.

Copper Peptides

- Copper peptides help to reduce inflammation and accelerate healing and firm the skin by increasing collagen and elastin proliferation.

Tremella (Snow) Mushrooms

- Lightens hyperpigmentation, age spots, & acne scars by inhibiting melanin
- Several studies show them more effective than vitamin C, & kojic acid, for skin brightening.
- Tremella has the ability to rejuvenate, moisturize, and hydrate the skin naturally.
- Its unique polysaccharide compounds show remarkable water retaining properties.
- Hyaluronic acid holds up to 1000 times its weight in water while Tremella mushroom holds about 5 times more water than hyaluronic acid.

Ingredients: Organic Citrus Aurantium (Orange blossom) water, Organic Tremella (Snow Mushroom) extract, Organic Vegetable Glycerin, Copper tripeptide-1, Angelite extract, Trace Minerals blend (Calcium, Selenium, Phosphorus, Chromium, Manganese, Iron, Molybdenum, Zinc, Vanadium), Leucostoc (Radish Root Ferment).

Angelite Crystal Elixir

ORGANICS 2020

Ambra Lift Elixir

- Bio-Energized Skin Elixir
- Contains extracts of Baltic Amber, Marine & Silk Peptides, Hyaluronic Acid and other effective skin nutrients.
- Visibly lifts, energizes, tones, and firms
- Scientifically proven to produce anti-aging, anti-wrinkle, anti-inflammatory and anti-oxidant
- Effects after two applications of Ambra Lift over a period of 48 hours.

Ingredients:

Organic Distilled Water, Extracts of Aloe Vera, Rosa Damascena (Rose), Ginkgo Biloba, Prunus Dulcis (Almond Oil), Hippophae (Sea Buckthorn) Oil, Organic Phospholipid Liposomes Gel, Marine Collagen Peptides, Silk Peptides (Silk Amino Acid), Sea Pearl Powder, Extract of Salix Nigra (Willow Bark), Succinic Acid, Extract of Baltic Amber, Xanthan Gum, Hyaluronic Acid, Extract of Green Amber, Rosmarinus Officinalis (Rosemary Oleoresin), Jasminum grandiflorum (Jasmin Grand) Flower Absolute, Rosa damascena (Rose Otto) Flower Absolute, Pogostemon cablin (Patchouli) Leaf Oil, Commiphora myrrha (Myrrh) Resin Oil, Viola odorata (Violet) Leaf Absolute.

Scientific Testing of Elina Organic Skin Care Products

- Using state-of-the-art gene expression technologies, a scientific research study was conducted in order to understand how *Elina Ambra-Lift* acts at the biological level
 - This study is unique from others in that we tested the final product rather than individual ingredients
 - This is important as combinations of ingredients may not produce the same effects as single ingredients
- The study used a gene expression method called quantitative real time PCR (polymerase chain reaction; qRT-PCR) to measure what genes are “turned on or off”
- For the study, *Elina Ambra-Lift* was applied to a 3D *in vitro* skin culture model that contains both epidermal and dermal skin cell layers
 - The skin cream was applied for 48 hrs.
 - The control cultures received no cream
- Measured expression of 91 genes that regulate biological functions that underlie skin cell aging and anti-aging processes were measured
- Assessed skin cell integrity using a standard histological stain (hematoxylin & eosin)

Results: *Elina Ambra-Lift* Produced Changes in Genes Associated with Beneficial Skin Functions (Examples of Specific Genes)

■ **Anti-oxidants:**

- Regulated expression of 5 important anti-oxidant genes
- Increased expression of 2 major anti-oxidants; metallothionein 2A (MT2A), superoxide dismutase 2 (SOD2)

■ **Growth factors:**

- Regulated expression of 5 growth factors and signaling molecules
- Decreased expression of insulin like growth factor (IGF1); IGF1 promotes metabolic aging processes

■ **Anti-inflammatory molecules:**

- Increased expression of a molecule that suppresses IL-1 β , one of the major producers of inflammation

■ **Extracellular matrix molecules:**

- regulated expression of 21 genes including 6 collagens, 2 integrins, 1 laminin, 4 adhesion molecules, 6 keratins

■ **Novel anti-aging genes:**

- Regulated expression of 4 genes involved in the sirtuin pathways, including increased expression of sirtuin 1 (SIRT1)

- Sea buckthorn oil & zinc oxide calms, soothes, & accelerates healing.
- Contains antioxidants, including vitamin C and E.
- Helps to restore minor scratches, abrasions, burns and insect bites.
- May be used for acne as a moisturizer.
- It can also be used as a soothing body lotion.

Ingredients: Organic Distilled Water, Bio energized Extracts of Aloe Vera, Arctium Lappa (Burdock), Achillea Millefolium (Yarrow), Calendae (Calendula), Taraxacum (Dandelion), Methylsulfonylmethane (MSM), Spirulina (Blue-Green Algae), Ricinus Communis (Castor) Oil, Hippophae (Sea Buckthorn) oil, Organic Phospholipid Liposome Gel, Extract of Salix Nigra (Black Willow), Myristyl Myristate (vegetable derived ester), Xanthan Gum, Rosmarinus officinalis (Rosemary) Oleoresin, Zinc Oxide, Organic Essential Oils of: Pelargonium (Geranium), Mentha Piperita (Peppermint), Curcuma longa (Turmeric).

Anti-Wrinkle Liposome Moisturizer

- Sea Buckthorn based formula
- For combination and rosacea prone skin – firms & calms
- Balanced cocktail of vitamins & antioxidants; from whole botanical sources.
- Extracts of Calendula, Spirulina and Propolis
- Sea Buckthorn - antioxidants, vitamin C & E, healing and rejuvenating effects on the skin.
- Addresses the signs of aging, nourishes the tissues & hydrates

Ingredients: Organic Distilled Water, Bio energized Extracts of Aloe Vera, Calendula (marigold), Ginseng, Matricaria recutita (Chamomile German), Flower Distillate, Tilia cordata (Linden), Spirulina (Blue-Green Algae), Lentinula Edodes (Shiitake Mushroom), Prunus dulcis (Sweet Almond) Oil, Hippophae (Sea Buckthorn) Oil, Vitellaria paradoxa (Shea Butter), Sunflower Phospholipid Liposome Gel, Pyrus malus (Apple) Fruit Extract, Vaccinium myrtillus (Bilberry) Extract, Citrusmedica limonium (Lemon) Peel Extract, Propanediol (Vegetable Emolient), Silk Peptides (Silk Amino Acid), Extract of Salix Nigra (Black Willow), Hyaluronic Acid, Rosmarinus officinalis (Rosemary) Oleoresin, Extract of Propolis, Xanthamomas campestris (Xanthan), Essential Oils of, Daucus carota (Carrot) Seed Oil, Commiphora Myrrha (Myrrh).

Sea Buckthorn Healing Lotion

- Ultra rich formula helps to firm, brighten, and rejuvenate the neck and décolletage area.
- Contains plant-based hyaluronic acid, mandelic acid, bio-energized infusion of Gold and Reishi Extract.
- For best results, use twice daily.

Ingredients : Organic Distilled Water, Aloe Barbadensis (Aloe Vera Extract), Prunus Amygdalus Var. Dulcia (Almond Sweet Oil), Cocos Nucifera (Fractionated Coconut Oil), Mandelic Acid (Aromatic Alpha Hydroxy Acid Made From Bitter Almond), Camellia Extract (Green Tea) , Ginkgo Biloba Extract Salix Nigra Extract (Black Willow Bark), Theobroma Cacao (Organic Cocoa Butter), Organic Sunflower Phospholipid Liposome Gel, Vitellaria Paradoxa (Shea Butter), Silk Peptides (Silk Amino Acid), Xanthan Gum, Ganoderma Lucidum Extract (Reishi Mushroom), Spirulina Plantensis (One-celled, Spiral-shaped Microscopic Blue-Green Algae), Hyaluronic Acid (Certified Vegan and is produced through wheat-free fermentation), Reduced Glutathione Tripeptide, Vegetable Glycerin , Apis Mellifera (Royal Jelly), L-proline (Non-Essential Amino Acid) , Colloidal Gold, Essential Oils of Myrtus Communis (Myrtle Green) Leaf Oil, Citrus Aurantium var.Amara (Orange Blossom Oil), Citrus Aurantium var.Amara (Petitgrain Bigarade Oil) Coriandrum Sativum (Celery Seeds).

Super Antioxidant Night Cream

- Super antioxidant night cream - helps restore the skin from environmental stress
- Nourishes, hydrates, & helps repair sun damage
- Grape seed extract-based formula enriched with mandelic acid
- Reduces free radicals and firms the skin with nourishing silk peptides.

Ingredients: Organic Distilled Water, Bio energized Extracts of Aloe Vera, Rosa damascena (Rose) Hips, Vitis vinifera (Grape), Hibiscus cannabinus (Hibiscus), Trifolium pratense (Red Clover), Hippophae (Sea Buckthorn) Oil, Organic Sunflower Phospholipid Liposome Gel, Prunus Dulcis (Almond Oil), Pyrus malus (Apple) Fruit Extract, Vaccinium myrtillus (Bilberry) Extract, Citrusmedica limonium (Lemon) Peel Extract, Propanediol (Vegetable Emollient), Silk Peptides, Extract of Salix Nigra (Black Willow), Vitellaria paradoxa (Shea Butter), Prunus Dulcis, Rosa Damascena (Rosehips) Oil, Mandelic Acid, Linum usitatissimum (Flax Seed) Oil, Xanthomonas campestris (Xanthan), Hyaluronic Acid, Citrus aurantium var.Amara (Neroli (Orange Blossom) Flower Oil, Boswellia carterii (Frankincense) Resin Oil, Jasminum grandiflorum (Jasmine Grande) Flower Oil.

Cleopatra Neck Cream

- Intense nourishment & hydration.
- Rich cocoa- based formula infused with sea buckthorn oil, silk amino acids, and Reishi mushroom extract to restore, nourish, and protect dry complexion.

Ingredients: Organic Distilled Water, Bio energized Extracts of Aloe Vera, Dioscorea (Wild Yam), Trifolium Pratense (Red Clover), Rosa Damascena (Rose) Petals, Ginseng, Ganoderma Lucidum (Reishi Mushroom), Spirulina (Blue-Green Algae), Persea americana (Avocado) Oil, Cocoa Butter, Coffee Butter, Avena Sativa (Oat) Extract, Organic Organic Sunflower Phospholipid Liposome Gel, Green Amber Extract, Hippophae (Sea Buckthorn) Oil, Extract of Salix Nigra (Black Willow), Oenothera biennis L.(Evening Primrose Oil) Acacia Honey, Fulvic Minerals, Silk Peptides (Silk Amino Acid), Xanthan Gum, Extract of Saccharum officinarum (Sugar Cane) Extract, Organic Vegetable Glycerin, Hyaluronic Acid, Rosmarinus officinalis (Rosemary Oleoresin), Extract of Propolis

Elite Rejuvenating Crème

- Enriched with copper peptides, vegan hyaluronic acid, green amber, pomegranate, & fine organic botanicals
- hydrate, brightens, and firms
- Copper peptides can slow the effects of skin aging
- Copper works synergistically with vitamin C to promote the growth of elastin and collagen
- Hyaluronic acid has the capacity to attract and hold vast amounts of moisture.

Ingredients: Organic Distilled Water, Bio energized Extracts of Aloe Vera, Ginkgo Biloba, Rosa Damascena (Rose), Punium Granatum (Pomegranate); Persea americana (Avocado) Oil, Vitellaria paradoxa (Shea Butter), Prunus dulcis (Sweet Almond) Oil, Phospholipid Liposome Gel, Hippophae (Sea Buckthorn) Oil, Extract of Salix Nigra (Black Willow), EcoCert Propanediol (Vegetable), Copper Tripeptide (Cu-GHK), Camellia sinensis Seed Oil, EcoCert Glycine Betaine (Beet) Sugar Extract, Secale Cereale (Rye) Seed Extract, Xanthomonas campestris (Xanthan) Gum, Hyaluronic Acid, Acacia Honey, Extract of (Ambra) Green Amber, Rosmarinus Officinalis (Rosemary) Oleoresin, Santalum Album (Sandalwood) extract, Essential Oil of Cananga Odorata (Ylang Ylang).

**Dry
Complexion Firming
Crème**

Skin Recovery Protective Healing Cream

For Stressed, Inflamed, & Problem Complexion

- Acne-prone and inflamed complexions have a drying effect on the skin.
- This cream is specifically formulated for irritated, inflamed, stressed, and acne-prone dry complexion.
- Extracts of Arnica and Spongilla have been used for centuries to heal bruised and damaged skin.
- **Colloidal Copper** - Antiseptic properties and helps to rebuild collagen and elastin as well as speed up the skin healing process. Treats wounds, infections, and burns, helps to smooth out fine lines and wrinkles while tightening and thickening the skin.
- **Spongilla** - Also is known as Badyaga, is used to reduce puffiness, irritation, and discolorations. It will help to calm and heal the skin.
- **Arnica** - Known for its healing properties -helps to heal bruises, soothes inflammation. Great for acne, even very difficult, cystic (hormonal) cases.
- **Acne and Rosacea :**
Apply the Skin Recovery Protective Healing Cream following the Herbal Cleanser, Rescue Sanitizing Mist, and Oil Control Formula over problem areas.
- **For Stressed Skin Wearing PPE :**
Goggles & face masks: use in conjunction with Rescue Sanitizing Mist to avoid bruising and irritation.

Crushed Amber

- Amber Acids (Succinic Acid) have deep rejuvenating qualities.
- They deliver strong anti-oxidants that combat free radical damage.
- Crushed Amber also brightens, firms, and tones the skin.

Ingredients: Distilled Water, Extracts of Aloe Vera, Rosa Damascena (Rose), Ginkgo Biloba, Essential Oil of Prunus Dulcis (Almond), Baltic Amber Powder, Essential Oils of Persea Americana (Avocado) and Hippophae (Sea Buckthorn), Organic Phospholipid Liposomes Gel, Ribes Nigrum (Black Current), Extract of Salix Nigra (Willow Bark), Glutathione, Succinic Acid, Extract of Baltic Amber, Xanthan Gum, Hyaluronic Acid, Extract of Green Amber, Rosmarinus Officinalis Extract (Rosemary Oleoresin), Essential Oils of Jasminum Officinale (Jasmine) & Vanilla Planifolia (Vanilla)

Sapphire Mask

- A delicate skin - polishing & rejuvenating mask
- Enriched with, bio-energized imprints of gold & sapphire & sapphire infusion.
- Filled with powerful antioxidants and other anti-aging skin nutrients : Gotu kola, hyaluronic acid, and vitamin C.

Ingredients: Aloe barbadensis (Aloe Vera) Leaf Hydrosol with Bioenergetic Imprints of Sapphires and Gold, Organic Camellia sinensis (Green Tea) Leaf Extract, ORG Camellia sinensis (Darjeeling Black Tea) Leaf Extract (and) ORG Centella asiatica (Gotu Kola), Extract ORG Camellia sinensis (White Tea) Leaf Extract, Hyaluronic Acid, Squalane (Olive), Ascorbyl Palmitate (Vitamin C Ester), Butyrospermum parkii (Shea) Seed Butter, Rosa Damascena (Rose) Flower Extract, Prunus dulcis (Sweet Almond) Oil, Phospholipid Liposome Gel, Hippophae rhamnoides (Seabuckthorn) Pulp Oil, Populus tremuloides (Aspen) Bark Extract, EcoCert Propanediol (Vegetable), Powder of Amethyst, Organic Glycerin (Vegetable), Silk Peptides, Xanthomonas campestris (Xanthan) Gum, Saccharum officinarum (Sugar Cane) Extract, Squalane (Olive), Vitamin E (Mixed Tocotrienols), Organic Essential Oils of Cymbopogon martinii (PalmaRosa), Rosa damascena (Rose) Flower.

Aronia Berry Mask

- Formulated with Vitamin C and Willow Bark Extract.
- Especially beneficial for problematic or sun damaged skin.
- Offers an organic cocktail of vitamins, natural acids and other skin nourishing nutrients.
- This mask can be used as a night cream.

Ingredients: Organic Distilled Water, Ascorbic Acid (vitamin C), Willow Bark Extract, Aronia Berry Extract, Xanthan Gum, Vegan Hyaluronic Acid, Essential Oil of Extractum Juniperorum (Juniper Berry Extract).

Natural Peptide Mask

- A blend of natural peptides, crushed sea water pearls, antioxidants and minerals help to hydrate, nourish and visibly firm the skin.
- Recommended for dry, aging, and sensitive skin
- This silky, anti-aging, delicate formula can be used as a day or night cream.
- Natural peptides help to repair the skin on a cellular level
- Firms the skin by helping to restore collagen & elastin

Ingredients: Organic Aloe barbadensis (Aloe Vera) Leaf Juice, Organic Achillea millefolium (Yarrow) Extract, Organic Rosa Damascena (Rose) Flower Extract, Organic Prunus dulcis (Sweet Almond) Oil, Phospholipid Liposome Gel, Hippophae rhamnoides (Seabuckthorn) Pulp Oil, Silk Peptides (Silk Amino Acid), Populus tremuloides (Aspen) Bark Extract, Sodium Hyaluronate (Hyaluronic Acid), Bambusa vulgaris (Bamboo) Stem Extract, Secale Cereale (Rye) Seed Extract, Organic Vegetable Glycerin, Sea Water Pearl Powder, Marine Collagen Peptides, Xanthan Gum, Copper Peptide GHK-Cu, essential oils of Organic Boswellia carterii (Frankincense) Resin Oil, Rosa damascena (Rose) Flower Oil.

- Contains a synergetic blend of probiotics proven to help restore the skin's natural microbiome.
- This mask will deeply hydrate, brighten, and firm the skin giving an instant glow.
- It is especially beneficial for a dry to normal skin.

Ingredients:

Organic Butyrospermum parkii (Shea) butter, Organic Mangifera indica (Mango) butter, Organics Calendula officinalis (Calendula) flower oil, Hippophae rhamnoides (Seabuckthorne) berry oil, Organic Rosa rubiginosa (Rosehip) seed extract, organic honey extract, **Lactobacillus acidophilus, Lactobacillus plantarum, Lactobacillus rhamnosus**, Retinyl Palmitate (vitamin A), Ascorbyl Palmitate (vitamin C), Mixed Tocotrienols (Vitamin E), essential oils of: Citrus sinensis (Orange Sweet), Vanilla planifolia (Vanilla) bean. Absolute, Jasminum officinalis var. Sambac (Jasmine) Flower Absolute.

Probiotic Polishing Mask

- Powerful antiseptic and healing properties - helps to firm and rebuild the skin by stimulating the regeneration of proteins.
- Activated charcoal with kaolin clay has ionic properties to encourage deep cleaning and removal of toxins.
- Fulvic Acid helps to reduce scarring and discolorations with an essential blend of trace minerals and electrolytes.
- Fulvic Acid helps to protect the skin's barrier, will balance the microbiome, and help prevent future breakouts.
- Diatomaceous Earth nourishes, polishes, and detoxifies the skin with a synergetic blend of nutrients.

Ingredients:

Organic Distilled Water, Extract of Organic Botanicals: Bioenergized Aloe Vera (Aloe Barbadensis), Burdock (Arctium Lappa), Black Willow Bark Extract (Salix Nigra), Diatomaceous Earth, Kaolin Clay, Copper powder, Yarrow (Achillea Millefolium), Fulvic Acid,,Organic Sunflower Liposomes, Activated Charcoal, Organic Essential Oils of: Frankincense (Boswellia Carterii), Juniper Berry (Juniperus Communis), Tea Tree (Melaleuca Alternifolia).

Crushed Copper Purifying Mask

- Deeply purifying mask with pathogen fighting and skin-renewing Copper Powder.

SERUMS AND PEELS

- REHYDRATE AND REPLENISH
 - REFINE AND RENEW
 - RESTORE AND REVITALIZE
-
- Elina Organics serums are designed with care to deliver effective targeted delivery of phyto ingredients and natural components to enhance skin function – whether the skin needs extra hydration, balance oiliness, or brighten and refine - our serums will provide the skin with a variety of natural components that perform. They can be used singly, layered with two or more and combine beautifully with our elixirs and moisturizers.
 - Elina Organics peels contain natural actives and Alpha & Beta Hydroxy's that help to exfoliate, increase oxygenation through circulation. Our natural acids and refine and brighten the appearance of dullness and unwanted pigmentation, without harsh peeling agents and aggressive chemicals. There is no “downtime” with our approach to natural skin peeling and skin refining, and we have enzyme masks designed for more sensitive skin types.
 - Unlike many chemical peels – our natural skin peels can be used more frequently for effective results- keeping the skin cell turnover active and resulting in a brighter, clearer and more luminous skin.

CBD Ageless Serum
